

# Engr 694-06, Research Methods Assignments, Fall 2017

H. Conrad Cunningham

8 September 2017

## **Assignment #3: Presentation Report** **Due Date: Friday, 29 September, 2:00 p.m.**

Write a 200-500 word **report on** on one of the following **presentations**:

- Department seminar, Valerie Polgar, “Media Art: Relationship Between Art and Tech,” 3:00 PM, Friday, 15 September 2017, Weir 235
- Guest lecture, Yixin Chen, Scientific Peer Review, Monday, 2:00 PM, 18 September 2017, Weir 106
- Meeting with Engr 400 Leadership class, Chancellor Jeffrey Vitter, 2:00 PM, 22 September 2017, Brevard 134
- Any other guest presentations in this class or CIS Department seminars held by the assignment due date
- Some other technical presentations approved by your instructor

Your paper must be your own work. Include appropriate citations and a bibliography for any sources that you use in preparation of your report. You may include quotations if needed. You may also use materials other than the presentations themselves.

Format your paper using either LaTeX or a word processor that produces a document that is compatible with Microsoft Word.

Submit the source files and a PDF of the paper electronically via Blackboard by the due date. Turn in a paper copy of the paper to Dr. Cunningham in class or in his mailbox. (This can be done at the next class after the due date.)
